

SUSTAINABILITY and ENERGY COMMISSION

MONDAY, JULY 16TH, 2018

South Hadley Public Library – Trustees Meeting Room

Attendance: Nancy Apple (member), Michael Beauchemin (member), Robert Berwick (chair),
Russell Fleury (vice-chair), John Howard (member)

- A. Meeting called to order at 6:30PM.
- B. The June meeting minutes were approved.
- C. The group was informed by Chairman Berwick that the Town has still not received the Siemens post action report.
- D. The group agreed to volunteer for a “Know Your Town” event and will discuss “Green Communities” and “What does a sustainable South Hadley look like?”
- E. The group received a presentation from Tim Eagles, an architect from EDM Architecture.
 - a. Mr. Eagles’ firm had done the initial design for South Hadley’s new senior center, but are not contracted to build as of this meeting.
 - b. The commission asked about energy saving building designs, LEED certification, and other sustainability factors that could be built into the design.
- F. The group agreed to reach out to Administrator Sullivan expressing our interested in meeting with the newly formed Senior Center Building Committee to discuss matters of sustainability in design.
- G. Next Meeting will be held on Monday, August 20th, 2018 in the Library at 6:30 PM.
- H. Meeting adjourned at 7:30PM
