

SUSTAINABILITY and ENERGY COMMISSION

MONDAY, August 20TH, 2018

South Hadley Public Library – Trustees Meeting Room

Attendance: Nancy Apple (member), Michael Beauchemin (member), Robert Berwick (chair),
John Howard (member)

- A. Meeting called to order at 6:30PM.
- B. The July meeting minutes were approved.
- C. The group was informed by Chairman Berwick that member Russ Fleury has resigned his seat on this commission.
- D. The group agreed to participate in the Know Your Town event on October 11th to discuss sustainability and Green Communities.
 - a. Draft presentations shall be reviewed at the next meeting.
- E. The town has not received a final report from Siemens about the energy savings measures the town took within the past few years.
- F. Board member Howard has put Administrator Sullivan into contact with a Columbia Gas staff member that can assist the town in evaluating the efficiency of natural gas systems in municipal buildings.
- G. Chairman Berwick will continue reaching out to the new Senior Center Building Committee in hopes of scheduling a meeting with our commission.
- H. Next Meeting will be held on Monday, September 17th, 2018 in the Library at 6:30 PM.
- I. Meeting adjourned at 7:15PM
