- Request to Modify Special Permit/Site Plan Review

SUBJECT: Status of Public Hearing scheduled for February 25, 2019

Dear Abutters and “Other Owners of Subject Properties”:

As you know, a public hearing was scheduled for this matter for February 25, 2019. However, as indicated by the letter on the opposite side of this notice, the applicant has requested that the hearing be continued until April 8, 2019. Therefore, at the applicant’s request, the Planning Board will be asked, to defer the hearing until Monday April 8, 2019 at 6:45 p.m. in accordance with the letter on the opposite side of this letter.

Accordingly, I anticipate that the Planning Board, on February 25, 2019 – consistent with its Policy on Requests for Continuations - will merely vote and announce to defer the public hearing until April 8, 2019 at 6:45 p.m.

If you have any questions regarding this matter, please feel free to contact me at 413-538-5017, Ext 128.

Sincerely,

Richard Harris, AICP
Town Planner

NOTE: Though this letter was unsigned, the email transmitting the letter stated the original will be mailed. The Planning & Conservation Office expects that letter will be signed and is treating this letter as if it was signed so as not to delay a notice to the abutters and subject property owners.
