SUBJECT: Status of Public Hearing scheduled for October 7, 2019

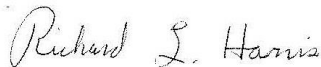

Dear Abutters and “Other Owners of Subject Properties”:

As you know, a public hearing was held September 9, 2019 and continued to October 7, 2019. Some of the work which necessitated the continuation from the September 9th public hearing has been completed but additional time is needed to complete all the work. Therefore, the project consultant – on behalf of the applicant, as indicated by the letter on the opposite side of this notice, to request that the hearing be continued until October 28, 2019. This request was submitted in accordance with the Board's adopted policy on requests for continuations. Therefore, at the applicant's request, the Planning Board will be asked, to continue the hearing without comments until Monday October 28, 2019 at 7:00 p.m. in accordance with the letter on the opposite side of this letter.

Accordingly, I anticipate that the Planning Board, on October 7, 2019 – consistent with its Policy on Requests for Continuations - will merely vote and announce to defer the public hearing until October 28, 2019 at 7:00 p.m.

If you have any questions regarding this matter, please feel free to contact me at 413-538-5017, Ext 128.

Sincerely,

Richard Harris, AICP
