Trustees shall have a term of two years. Only persons who are residents of the Town of South Hadley shall be eligible to hold the office of Trustee. Upon the appointment of any succeeding Trustee

and the filing of such appointment the title to the Trust estate shall thereupon and without the necessity of any conveyance be vested in such succeeding Trustee jointly with the remaining Trustees. In exercising its powers and duties hereunder, the COMMISSION shall pay due regard to the distinctive characteristics of each BUILDING, STRUCTURE and DISTRICT area.

5.2 The COMMISSION may adopt, and from time to time amend, reasonable Rules and Regulations not inconsistent with the provisions of this Bylaw or M.G.L. Chapter 40C, setting forth such forms and procedures as it deems desirable and necessary for the regulation of its affairs and the conduct of its business, including requirements for the contents and form of applications for CERTIFICATES, fees, hearing procedures and other matters. The COMMISSION shall file a copy of any such Rules and Regulations with the office of the Town Clerk.

5.3 The COMMISSION, after a public hearing duly posted and advertised at least fourteen (14) days in advance in a conspicuous place in Town Hall and in a news source of general circulation in South Hadley such as the Town Reminder, may adopt and from time to time amend guidelines which set forth the designs for certain EXTERIOR ARCHITECTURAL FEATURES which are, in general, suitable for the issuance of a CERTIFICATE. No such design guidelines shall limit the right of an applicant for a CERTIFICATE to present other designs to the COMMISSION for approval.

5.4 The COMMISSION shall at the beginning of each fiscal year hold an organizational meeting and elect a Chair and a Vice Chair from its own number and a Secretary from within or without its number, and file notice of such election with the office of the Town Clerk.

5.5 The COMMISSION shall keep a permanent record of its resolutions, transactions, decisions **and determinations and of the vote of each member participating therein.**

5.6 The COMMISSION shall undertake educational efforts to explain to the public and property owners the merits and functions of a DISTRICT.

6. ALTERATIONS AND CONSTRUCTION PROHIBITED WITHOUT A CERTIFICATE

6.1 Except as this Bylaw provides, no BUILDING or STRUCTURE or part thereof within a DISTRICT shall be CONSTRUCTED or ALTERED in any way that affects the EXTERIOR ARCHITECTURAL FEATURES as visible from a public way, unless the COMMISSION shall first have issued a CERTIFICATE with respect to such CONSTRUCTION or ALTERATION.

6.2 No building permit for CONSTRUCTION of a BUILDING or STRUCTURE or for ALTERATION of an EXTERIOR ARCHITECTURAL FEATURE within a DISTRICT and no demolition permit for demolition or removal of a BUILDING or STRUCTURE within a DISTRICT shall be issued by the Town or any department thereof until a CERTIFICATE as required under this Bylaw has been issued by the COMMISSION.

7. PROCEDURES FOR REVIEW OF APPLICATIONS

7.1 Any person who desires to obtain a CERTIFICATE from the COMMISSION shall file with the COMMISSION an application for a CERTIFICATE of Appropriateness, of Non-Applicability or of Hardship, as the case may be. The application shall be accompanied by such plans, elevations, specifications, material and other information, including in the case of demolition or removal a statement of the proposed condition and appearance of the property thereafter, as may be reasonably deemed necessary by the COMMISSION to enable it to make a determination on the application.

7.2 The COMMISSION shall determine within fourteen (14) days of the filing of an application for a CERTIFICATE whether said application involves any EXTERIOR ARCHITECTURAL FEATURES which are within the jurisdiction of the COMMISSION.

7.3 If the COMMISSION determines that an application for a CERTIFICATE does not involve any EXTERIOR ARCHITECTURAL FEATURES, or involves an EXTERIOR ARCHITECTURAL FEATURE which is not subject to review by the COMMISSION under the provisions of this Bylaw, the COMMISSION shall forthwith issue a CERTIFICATE of Non-Applicability.

7.4 If the COMMISSION determines that such application involves any EXTERIOR ARCHITECTURAL FEATURE subject to review under this Bylaw, it shall hold a public hearing on the application, except as may otherwise be provided in this Bylaw. The COMMISSION shall hold such a public hearing within forty-five (45) days from the date of the filing of the application. At least fourteen (14) days before said public hearing, public notice shall be given by posting in a conspicuous place in Town Hall and in a news source of general circulation in South Hadley such as the Town Reminder. Such notice shall identify the time, place and purpose of the public hearing. Concurrently, a copy of said public notice shall be mailed to the applicant, to the owners of all adjoining properties and of other properties deemed by the COMMISSION to be materially affected thereby, all as they appear on the most recent applicable tax list, to the Planning Board, to any person filing a written request for notice of hearings, such request to be renewed yearly in December, and to such other persons as the COMMISSION shall deem entitled to notice.

7.4.1 A public hearing on an application for a CERTIFICATE may be waived by the COMMISSION if the COMMISSION determines that the EXTERIOR ARCHITECTURAL FEATURE involved, or its category, is so insubstantial in its effect on the DISTRICT that it may be reviewed by the COMMISSION without a public hearing. If the COMMISSION dispenses with a public hearing on an application for a CERTIFICATE, notice of such application shall be given to the owners of all adjoining property and of other property deemed by the COMMISSION to be materially affected thereby as above provided, and ten (10) days shall elapse after the mailing of such notice before the COMMISSION may act upon such application.

7.5 Within sixty (60) days after the filing of an application for a CERTIFICATE, or within such further time as the applicant may allow in writing, the COMMISSION shall issue a CERTIFICATE or a disapproval. In the case of a disapproval of an application for a CERTIFICATE, the COMMISSION shall set forth in its disapproval the reasons for such disapproval. The COMMISSION may include in its disapproval specific recommendations for changes in the applicant's proposal with respect to the appropriateness of design, arrangement,

texture, material and similar features which, if made and filed with the COMMISSION in a subsequent application, would make the application acceptable to the COMMISSION.

7.6 The concurring vote of a majority of the members shall be required to issue a CERTIFICATE.

7.7 In issuing CERTIFICATES, the COMMISSION may, as it deems appropriate, impose certain conditions and limitations, and may require architectural or plan modifications consistent with the intent and purpose of this Bylaw.

7.8 If the COMMISSION determines that the CONSTRUCTION or ALTERATION for which an application for a CERTIFICATE of Appropriateness has been filed will be appropriate for or compatible with the preservation or protection of the DISTRICT, the COMMISSION shall issue a CERTIFICATE of Appropriateness.

7.9 If the CONSTRUCTION or ALTERATION for which an application for a CERTIFICATE of Appropriateness has been filed shall be determined to be inappropriate and therefore disapproved, or in the event of an application for a CERTIFICATE of Hardship, the COMMISSION shall determine whether, owing to conditions especially affecting the BUILDING or STRUCTURE involved, but not affecting the DISTRICT generally, failure to approve an application will involve a substantial hardship, financial or otherwise, to the applicant and whether such application may be approved without substantial detriment to the public welfare and without substantial derogation from the intent and purposes of this Bylaw. If the COMMISSION determines that owing to such conditions failure to approve an application will involve substantial hardship to the applicant and approval thereof may be made without such substantial detriment or derogation, the COMMISSION shall issue a CERTIFICATE of Hardship.

7.10 The COMMISSION shall send a copy of its CERTIFICATES and disapprovals to the applicant and shall file a copy of its CERTIFICATES and disapprovals with the office of the Town Clerk and the Building Commissioner. The date of issuance of a CERTIFICATE or disapproval shall be the date of the filing of a copy of such CERTIFICATE or disapproval with the office of the Town Clerk.

7.11 If the COMMISSION should fail to issue a CERTIFICATE or a disapproval within sixty (60) days of the filing of the application for a CERTIFICATE, or within such further time as the applicant may allow in writing, the COMMISSION shall thereupon issue a CERTIFICATE of Hardship Due to Failure to Act.

7.12 Each CERTIFICATE issued by the COMMISSION shall be dated and signed by its Chair or such other person designated by the COMMISSION to sign such CERTIFICATES on its behalf.

7.13 A PERSON AGGRIEVED by a determination of the COMMISSION may, within twenty (20) days of the issuance of a CERTIFICATE or disapproval, file a written request with the COMMISSION for a review by a person or persons of competence and experience in such matters, acting as arbitrator and designated by the regional planning agency. The finding of the person or persons making such review shall be filed with the Town Clerk within forty-five (45) days after the request, and shall be binding on the applicant and the COMMISSION, unless a further appeal is sought in the Superior Court as provided in Chapter 40C, Section 12A. The

filing of such further appeal shall occur within twenty (20) days after the finding of the arbitrator has been filed with the office of the Town Clerk.

8. CRITERIA FOR DETERMINATIONS

8.1 In deliberating on applications for CERTIFICATES, the COMMISSION shall consider, among other things, the historic and architectural value and significance of the site, BUILDING or STRUCTURE; the general design, proportions, detailing, mass, arrangement, texture, and material of the EXTERIOR ARCHITECTURAL FEATURES involved; and the relation of such EXTERIOR ARCHITECTURAL FEATURES to similar features of BUILDINGS and STRUCTURES in the surrounding area.

8.2 In the case of new CONSTRUCTION or additions to existing BUILDINGS or STRUCTURES, the COMMISSION shall consider the appropriateness of the scale, shape and proportions of the BUILDING or STRUCTURE both in relation to the land area upon which the BUILDING or STRUCTURE is situated and in relation to BUILDINGS and STRUCTURES in the vicinity. The COMMISSION may in appropriate cases impose dimensional and setback requirements in addition to those required by applicable statute or bylaw.

8.3 When ruling on applications for CERTIFICATES on solar energy systems as defined in Section IA of Chapter 40A, the COMMISSION shall consider the policy of the Commonwealth of Massachusetts to encourage the use of solar energy systems and to protect solar access.

8.4 The COMMISSION shall not consider interior arrangements or architectural features not subject to public view from a public way.

9. EXCLUSIONS

9.1 The COMMISSION shall exclude from its purview the following:

9.1.1 Temporary BUILDINGS, STRUCTURES or SIGNS subject, however, to conditions pertaining to the duration of existence and use, location, lighting, removal and similar matters as the COMMISSION may reasonably specify. Consideration would be given to educational displays and resources useful for the mission of the Museum and District.

9.1.2 Terraces, walks, driveways, sidewalks and similar STRUCTURES, provided that any such STRUCTURE is substantially at grade level.

9.1.3 Storm windows and doors, screen windows and doors, and window air conditioners.

9.1.4 The color of paint.

9.1.5 The color of materials used on roofs.

9.1.6 Signs of not more than two (2) square feet in DISPLAY AREA in-connection with use of a residence for a customary home occupation or for professional purposes, provided only one such sign is displayed in connection with each residence and if illuminated is illuminated only indirectly; and one sign in connection with the nonresidential use of each BUILDING or

STRUCTURE which is not more than six (6) square feet in DISPLAY AREA, consists of letters painted on wood without symbol or trademark and if illuminated is illuminated indirectly.

9.1.7 The reconstruction, substantially similar in exterior design, of a BUILDING, STRUCTURE or EXTERIOR ARCHITECTURAL FEATURE damaged or destroyed by fire, storm or other disaster, provided such reconstruction is begun within one year thereafter and carried forward with due diligence.

9.2 Upon request the COMMISSION shall issue a CERTIFICATE of Non-Applicability with respect to CONSTRUCTION or ALTERATION in any category not subject to review by the COMMISSION in accordance with the above provisions.

9.3 Nothing in this Bylaw shall be construed to prevent the ordinary maintenance, repair or replacement of any EXTERIOR ARCHITECTURAL FEATURE within a DISTRICT which does not involve a change in design, material or the outward appearance thereof, nor to prevent landscaping with plants, trees or shrubs, nor construed to prevent the meeting of requirements certified by a duly authorized public officer to be necessary for public safety because of an unsafe or dangerous condition, nor construed to prevent any CONSTRUCTION or ALTERATION under a permit duly issued prior to the effective date of this Bylaw.

10. CATEGORICAL APPROVAL

The COMMISSION may determine from time to time after a public hearing, duly advertised and posted at least fourteen (14) days in advance in a conspicuous place in Town Hall and in a news source of general circulation in South Hadley such as the Town Reminder, that certain categories of EXTERIOR ARCHITECTURAL FEATURES, STRUCTURES or BUILDINGS under certain conditions may be CONSTRUCTED or ALTERED without review by the COMMISSION without causing substantial derogation from the intent and purpose of this Bylaw.

11. ENFORCEMENT AND PENALTIES

11.1 The COMMISSION shall determine whether a particular activity is in violation of this Bylaw or not, and the COMMISSION shall be charged with the enforcement of this Bylaw.

11.2 The COMMISSION, upon a written complaint of any resident of South Hadley, or owner of property within South Hadley, or upon its own initiative, shall institute any appropriate action or proceedings in the name of the Town of South Hadley to prevent, correct, restrain or abate violations of this Bylaw. In the case where the COMMISSION is requested in writing to enforce this Bylaw against any person allegedly in violation of same and the COMMISSION declines to act, the COMMISSION shall notify, in writing, the party requesting such enforcement of any action or refusal to act and the reasons therefore, within twenty one (21) days of receipt of such request.

11.3 Whoever violates any of the provisions of this Bylaw shall be punishable by a fine of \$[_____] for each offense, payable to a fund for the preservation of the DISTRICT. Each day during any portion of which such violation continues to exist shall constitute a separate offense.

11.4 The COMMISSION may designate the Building Commissioner of the Town of South Hadley to act on its behalf and to enforce this Bylaw under the direction of the COMMISSION.

12. VALIDITY AND SEPARABILITY

The provisions of this Bylaw shall be deemed to be separable. If any of its provisions, sections, subsections, sentences or clauses shall be held to be invalid or unconstitutional by any court of competent jurisdiction, the remainder of this Bylaw shall continue to be in full force and effect.

A. Purpose.

The purpose of this Section 255-50 is to allow for Accessory Dwelling Units (ADUs), as defined under M.G.L. c. 40A, §1A, to be built as of-right in Single-Family Residential Zoning Districts in accordance with Section 3 of the Zoning Act (M.G.L. c. 40A), as amended by Section 8 of Chapter 150 of the Acts of 2024, and the regulations under 760 CMR 71.00: Protected Use Accessory Dwelling Units. This zoning provides for by-right ADUs to accomplish the following purposes:

1. Increase housing production to address local and regional housing needs across all income levels and at all stages of life.
2. Develop small-scale infill housing that fits in the context of zoning districts that allow single-family housing while providing greater density.
3. Provide a more moderately priced housing option to serve smaller households, households with lower incomes, seniors, and people with disabilities.
4. Enable property owners to age in place, downsize, or earn supplemental income from investing in their properties.

B. Definitions.

Refer to §255-10 Terms Defined, and 760 CMR 71.00. Any discrepancy between similar terms defined shall be resolved in favor of the definitions as contained in 760 CMR 71.00.

The sum of the areas of all stories of the building of compliant ceiling height pursuant to the Building code, including basements, lofts, and intermediate floored tiers, measured from the interior faces of exterior walls or from the centerline of walls separating buildings or dwelling units but excluding crawl spaces, garage parking areas, attics, enclosed porches and similar spaces. Gross Floor Area Where there are multiple Principal Dwellings on the Lot, the GFA of the largest Principal Dwelling shall be used for determining the maximum size of a Protected ADU.

C. Regulations

For the purposes of this Section 255-50, the following regulations shall apply:

No building or ADU shall be occupied until a certificate of occupancy has been issued by the Building Commissioner, where required.
- c. The Building Commissioner may issue a cease and desist order or enforcement order on any work in progress or on the use of any premises, either of which are in violation of the provisions of this chapter.

Ms. Andrea Miles, Chair
South Hadley Selectboard and
Ms. Lisa Wong, Town Administrator
116 Main Street, Room M18
South Hadley, MA 01075

Dear Ms. Miles and Ms. Wong,

The Village Commons has been a partner with and an asset for the Town of South Hadley for thirty-eight (38) years. We enjoy and value the working relationship with our partners. As our Village ages and market trends evolve, it's only natural that we will all experience headwinds and growth together. In preparation for the future and in hopes of maintaining exceptional mixed-use occupancy rates, relationships and opportunities, the entities must plan for those market trends and sustainability.

As we have always, the Center Redevelopment Corporation (“the Corporation”) is planning for the future. To this end, we have engaged with architects, engineers, and planning consultants to assist as it prepares for the next 3 decades. Earlier this year the Corporation consolidated its multiple parcels into a single parcel as a first step in putting this planning into action.

We have identified some issues with the current myriads of zoning districts and their associated different limitations and opportunities – often times at conflict with one another in the context of a mixed-use development such as The Village Commons. Accordingly, the Corporation has prepared an approach to zoning which will provide a coordinated framework for The Village Commons as we move forward, which can also be used for similar developments of different scales where appropriate.

Therefore, pursuant to Massachusetts General Laws Chapter 40A, Section 5 and § 255-6 of the South Hadley Zoning Bylaw, the Corporation requests that the Town consider amending the South Hadley Zoning Bylaw and Zoning Map as detailed in the attached Zoning Bylaw and Map Amendment. This request relates to the below described parcel currently zoned Business A-1, Residence A-2, and Residence A-1 zoning districts. Massachusetts General Laws Chapter 40A, Section allows “an individual owning land to be affected by” enactment of a proposed zoning bylaw amendment to initiate proposals for adoption of an amendment to the Zoning Bylaw.

The Corporation affirms that it owns the subject property described below and that I, Jeffrey Labrecque as Chief Executive Officer am empowered to represent the Corporation in this matter.

The subject property is a 7.810+/- acre parcel (see Attachment A) generally referenced as “The Village Commons” and depicted on the attached ANR Plan endorsed by the Planning Board at their January 13, 2025 meeting (and recorded in the Hampshire County Registry of Deeds on January 24, 2025 at Page 77 in Book 257) and more particularly described as follows:

- Bounded on the east by Hadley Street (Route 47)
- On the south by “College Street” for approximately 389 feet;
- On the south and west by parcels owned by Mount Holyoke College and depicted on Parcels 85 and 86 on Assessors Map 49 and Parcel 65 as depicted on Assessors Map 47; and,
- On the north by Parcel 64 as depicted on Assessors Map 47 and Parcels 63, 64, and 68 as depicted on Assessors Map 49.

A further description is provided in Attachment B.

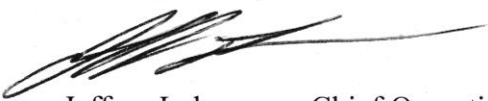

This request is to amend the Zoning Bylaw (in § 255-11, Article VII, Attachment 1, and Attachment 2) to create a new zoning district – “Village District” and amend the Zoning Map to change the zoning of the subject property from Business A-1, Residence A-2, and Residence A-1 to the new “Village District” zoning district. The details of the proposed amendment are provided in Attachment C.

I respectfully request that this petition be incorporated into the May 2025 Annual Town Meeting Warrant and be processed accordingly.

I understand and acknowledge that § 255-6 of the South Hadley Zoning Bylaw provides that I, as the petitioner, am responsible for payment of the cost of notice of the public hearing. Accordingly, please have the newspaper in which the notice is published forward the bill to me.

I look forward to participating in the public hearing process upon your referral of this request to the Planning Board. If you or the Planning Department have any questions, please feel free to reach out to me at 413-532-3600 or via email jlabrecque@thevillagecommons.com

Thank you for your consideration.

 - A. Purpose

The purpose of this district is to encourage mixed-use development characterized by a mix of office, retail, entertainment, and residential uses consistent with the traditional scale, density, design, and mix of uses that characterize South Hadley's historic village centers in a manner that is pedestrian-friendly through high-quality site planning, architecture, and landscape design.

 - (a) The Maximum building height as provided in Attachment 2 is not to exceed 5 stories as provided below. The variable maximum height provided in Attachment 2 is permitted to reflect the variation in ground elevation and elevation of Route 116 relative to the Village District.
 - (b) The variable story height limitation is to be interpreted and administered as follows:
 - [1] Portions of buildings occupied by dwelling units or business uses shall not exceed 5 stories. However,
 - [a] One story providing drive under parking and/or enclosure of building support equipment may also be provided.
 - [b] To enhance the aesthetic appearance of the building and/or to better enable use of the roof for solar energy collecting/generating operation, use of an enclosed “story” exclusively or primarily for housing of mechanical equipment or other facilities necessary for the building’s operation shall not be counted as one of the permitted “stories”.

[4] To accommodate screening of rooftop uses and equipment, measurement of building height shall not include such screening elements.

- D. Site Plan Review. Development in the Village District is subject to Site Plan Review as provided in Article XII of this Zoning Bylaw and as further modified herein.
- (1) Design Review is to be incorporated into the Site Plan Review process, so the integration of the uses and design are collectively reviewed.
 - (2) Once Site Plan is approved and the buildings are constructed to completion and occupancy permits have been issued, further site plan review for location of individual uses within an approved building space is not required; provided the development maintains compliance with the approved site plan and this §255-52.
 - (a) Exception. Conversion of Business Use space to a Residential Use space will require Site Plan Review.
 - (b) The Planning Board may, in their Site Plan Review Rules and Regulations provide that any “post-approval” Site Plan Reviews will be processed as “Minor Site Plan Review”.
- E. Residential Development
- (1) Dwelling units are permitted only as an integral part of a mixed-use development. The dwelling units may be provided either in a mixed-use building or a separate “residential only” building in accordance with this § 255-52.

 - (a) A minimum of 3,000 square feet of land area for each dwelling unit located thereon plus 300 square feet of land area per bedroom in each dwelling unit.
 - (b) Given the integrated design and nature of the multi-use development, calculation of the allowed number of dwelling units shall consider the entire mixed-use development site.
 - (3) Placement of dwellings. No dwelling units are to be located on first floor of any building fronting on Route 116.
 - (a) Waiver Permitted. The Planning Board may grant a waiver from this provision if the finished grade declines from the front of the building to the rear of the building by an amount of no less than eight (8) feet. In such an event, the Planning Board may permit dwelling units on the ground floor of this building provided it is located to the rear of the building and the entrance is not visible from Route 116.
 - (4) No entrance to a building or dwelling shall be greater than 100 feet from an access street or drive, or greater than 200 feet from an off-street parking area which shall be located on the same lot or tract of land.

Attachment C

Proposed Zoning Bylaw and Zoning Map Amendment

F. Minimum Development Site

- (1) The minimum parcel size for development in the Village District must be sufficient for a mixed-used building. Therefore, the minimum parcel size in the Village District is 87,120 square feet.
- (2) This minimum parcel size does not apply to a “lease pad” which may be used for placement of equipment or “minor” facilities (such as, an ATM, walk up kiosk, etc.).

G. Mixed Use Development

- (1) The Village District is intended to accommodate the incorporation of buildings with an internal mix of businesses and residences as well as free standing buildings which are exclusive to business or residential uses on a single parcel. However, the intent of the Village District is to have development in which varied uses are integrated together and are mutually supportive. Applicants for Site Plan Review/Design Standards Review must demonstrate how the mixture of uses supports the Village District purpose.
 - (a) Buildings with no residential occupancy must be developed and operated in common with other mixed-used and residential-only buildings in accordance with an approved site plan and management plan.
 - (b) A schedule for development of the mixed uses is to be provided as part of the Site Plan Review submission and incorporated into the Planning Board decision.
 - (c) Infrastructure is to be provided which interconnects all of the buildings and uses areas on the development site.
 - (d) There is not a mandated ratio of residential to business square footage in the Village District; however, the Planning Board may incorporate advisory guidelines regarding such ratios into their Rules and Regulations based on robust objective research and public involvement.

H. Parking

- (1) All developments must conform to the requirements for off-street parking and loading areas as specified in § 255-86 of this Zoning Bylaw.
- (2) Shared Parking. Consistent with the nature of New England village centers, the purposes of this § 255-52, and § 255-86, parking provisions for mixed-use developments in the Village District are encouraged to incorporate shared-parking arrangements between uses and entities. Strict application of the “provisional standards” for each use is not appropriate. Applicants for mixed-use developments shall sufficiently demonstrate that the quantity and layout of the parking plan for the proposed development is appropriate.
- (3) Parking needs for the residential dwelling units may be partially satisfied by the parking provided for the commercial building space if the Planning Board

Attachment C

Proposed Zoning Bylaw and Zoning Map Amendment

determines that the shared parking will be sufficient to meet the needs of the residential and commercial uses.

I. Signs

- (1) Except as provided herein, all signs are to conform to the signage requirements as specified in § 255-85 of this Zoning Bylaw.
 - (a) Exception. As part of the Site Plan Review/Design Standards Review for a mixed-use development, applicants may submit, and the Planning Board may approve a comprehensive signage plan which ensures that signage is context sensitive to the proposed development. Applicants must demonstrate to the Planning Board's satisfaction that the variations from 255-85 are supported by the proposed designs and are in keeping with the purpose of the Village District.

J. Design Standards

- (1) Overview and Authorization
 - (a) The Village District is intended to be developed in an architectural and integrated style compatible with the Village Commons as it exists in 2025. This site has variable grades associated with decreasing elevations as the site departs the Route 116 roadway westerly. Recognizing the intent of the District and the existing conditions, consideration of design during the plan review process is essential.
 - (b) The Planning Board may adopt and amend, by simple majority vote, Mandatory Design Standards which shall be applicable to all Projects.
 - (c) Mandatory Design Standards must be objective and not subjective, clear but sufficiently flexible to address the needs of the project, the community, and the neighborhood consistent with the Purpose of the Village District, and may only address:
 - [1] Scale and proportions of buildings;
 - [2] Alignment, width, and grade of accessways, drives, and sidewalks;
 - [3] Type and location of publicly maintained infrastructure;
 - [4] Location of building and garage entrances, off-street parking;
 - [5] Protection of significant natural site features;
 - [6] Location and design of on-site open spaces and landscaping,
 - [7] Exterior signs; and
 - [8] Screening and Buffering in relation to adjacent properties and roadways.
 - (d) Design Standards must address the topics in the context of the purpose of the Village District.
 - (e) Advisory Design Guidelines. The Planning Board may adopt suggestive design guidelines which amplify, clarify aspects of this § 255-52J and address issues which the Planning Board determines are essential to

Attachment C

Proposed Zoning Bylaw and Zoning Map Amendment

achieving the purpose of the district but are not adequately addressed within § 255-52.

(2) Design Principles

- (a) Promote family-friendly walkable village center that predominantly serves local residents and visitors while accommodating all street users;
 - (b) Pedestrian access and safety by encouraging design strategies to reduce conflicts between drivers and pedestrians;
 - (c) Reduce negative impacts on the natural environment from stormwater overflow and lighting glare or overspill;
 - (d) Support a consistent level of design for a complementary mix of uses within the Village District;
 - (e) The public realm should be characterized by street trees, street furniture, sidewalks with ample width for diverse users, and attractive furnishings and infrastructure;
 - (f) Architectural design shall be compatible with the character and scale of buildings in the Town's traditional village centers. Variation in detail, form and siting shall be used to provide visual interest and avoid monotony. Proposed buildings shall relate harmoniously to each other with adequate light, air, circulation and separation between buildings. The Planning Board may take into consideration whether exterior building facades and materials are consistent with South Hadley's character. The Planning Board may consider whether the roofline is peaked or is otherwise consistent with the Town's character.
5. On the "Zoning Map" incorporated into the Zoning Bylaw by § 255-12, change the zoning on the following parcel from Business A-1, Residence A-2, and Residence A-1 to the "Village District" zoning district:

A 7.810+/- acre parcel (see Attachment A) generally referenced as "The Village Commons" and depicted on the attached ANR Plan endorsed by the Planning Board at their January 13, 2025 meeting (and recorded in the Hampshire County Registry of Deeds on January 24, 2025 at Page 77 in Book 257) and more particularly described as follows:

- Bounded on the east by Hadley Street (Route 47)
- On the south by "College Street" for approximately 389 feet;
- On the south and west by parcels owned by Mount Holyoke College and depicted on Parcels 85 and 86 on Assessors

Dear Ms. Miles and Ms. Wong,

This request is initiated pursuant to MGL Chapter 40A, Section 5 and § 255-6 of the South Hadley Zoning Bylaw to amend the South Hadley Zoning Map in reference to a triangular shaped parcel described herein from its current Business C zoning district to the Residence A-1 zoning district. MGL Chapter 40A, Section 5 allows “an individual owning land to be affected by” enactment of a proposed zoning bylaw amendment to initiate proposals for adoption of an amendment to the Zoning Bylaw.

I, Christine J. Walton affirm that I own the property subject to this request. The subject property is a 1.5949+/- acres triangular shaped portion of Parcel 1 as identified on Assessors Map #8 and generally depicted on the attached map. The subject 1.5949+/- acres parcel is more particularly described as follows:

- Beginning at the southwest corner of Parcel 133 on Assessors Map #8;
- Thence, running westerly a distance of approximately 740+/- feet to a point on the west line of Parcel 1 on Assessors Map #8;
- Thence, running southerly along the west line of said Parcel 1 to a point at which the Business C and the Residence A-1 zoning districts abut (a distance of approximately 175+/- feet);
- Thence, running northeasterly along a line which marks the existing division between the Business C and Residence A-1 zoning districts to the point of beginning at the southwest corner of Parcel 133 as shown on Assessors Map #8;
- Said area being approximately 1.5949± ACRES.

Wayne Walton and Dan Luis are hereby authorized to represent me regarding this petition before any and all Town Boards and bodies. Their contact information is as follows:

I recognize this may be a bit tight, but respectfully request that this petition be incorporated into the May 2025 Annual Town Meeting Warrant and be processed accordingly.

By way of a brief background, as will be discussed further at the Planning Board public hearing, this request is being made to enable the development of a new residential development. This will expand the Town's tax base and provide new homes for residents. The portion of land subject of this request will be added to another 4.2587 +/- acres already lying in the Residence A-1 zoning district (also a portion of said Parcel 1 as identified on Assessors Map #8 and under my current ownership) to create a 5.85+ acre development site as depicted on the attached map.

I understand and acknowledge that § 255-6 of the South Hadley Zoning Bylaw provides that I, as the petitioner, am responsible for payment of the cost of notice of the public hearing. Accordingly, please have the newspaper in which the notice is published forward the bill to me.

ARTICLE xx: CITIZEN'S PETITION -

South Hadley Welcoming Community Ordinance

I propose that the town of South Hadley adopt the following Welcoming Community Trust Ordinance:

The purpose of this ordinance is to affirm that the town of South Hadley is a welcoming community, to promote trust between community members and employees of the town of South Hadley, and to facilitate effective law enforcement and public safety policies.

Definitions:

“Town officials” refers to any South Hadley town departments and their employees and any employee of the town authorized, or with the power, to enforce regulations, codes, local ordinances, or criminal statutes; or authorized to detain or maintain custody of individuals.

“Civil immigration detainer request” means a non-mandatory, written or verbal, request issued by Immigration and Customs Enforcement (“ICE”) or by any other federal immigration officer or agency to a local law enforcement official either (1) to maintain custody of an individual once that person is eligible for release from local custody, or (2) to notify the requesting federal immigration office or official prior to the release of that individual.

“Eligible for release from custody” means that there is no judicial warrant, judicial order, or law that prevents an individual from being released from the custody of a South Hadley official.

“ICE administrative warrant” means a warrant, notice to appear, removal order, or warrant of deportation issued by a federal immigration officer, not a judicial officer, that does not confer detention authority on a local jurisdiction.

1. A town official shall not question persons they encounter about their immigration status unless such inquiry is required by state or federal law or to provide a public benefit. Nothing in this subsection shall prohibit the South Hadley Police department from using other investigatory tools to establish information about the suspect of a crime.
2. A town official shall not target with legal action or discriminate against a medical, educational, or faith institution in their mission of providing refuge to immigrants and their families.

3. A city official shall not initiate an investigation or take law enforcement action, including regulatory action, on the basis of actual or perceived immigration **status**.
4. Equal Treatment: **South** Hadley town officials will treat all persons equally, enforce laws, and serve the public without consideration of immigration status. Citizenship, immigration status, national origin, race, and ethnicity shall have no bearing on an individual's treatment by employees or officers of South Hadley **agencies or departments**.
5.
