

South Hadley Historical Commission

April 28 2022 Meeting

Minutes

The meeting was held at the firehouse museum and called to order at 630pm. The following members were in attendance, Jose Vazquez, Tony Judge, Robert Judge and Emelie Lyszchyn.

Old Business:

Review and approval of minutes from prior meeting.

Review of the 106 process

New Business:

A brief discussion with our new member, of the Historical Commission vs Historical Society

Presentation from Diane Laroche Trustee of the Fire House Museum

Report from Tony Judge that the members information had been forwarded to the Massachusetts Historical Commission

Vote to authorize Tony Judge to contact Joe Rodeo from the library regarding library preservation/digitizing records at the Gaylord library

Received a request from the historical society to assist in their efforts to have the falls firehouse added to the Massachusetts Historical Register. The Society has previously applied in the past but required some support from the Historical Commission. All in attendance were generally in support and we will assist as necessary.

Future Business:

106 Review of the planned project on rt 202, currently we see no issues with the project but will discuss at our next meeting.

Continued discussion of the demolition delay bylaw

Meeting closed at 7:37 with our next meeting scheduled for June 2 at the library trustees room..
