Strategic Planning Committee Minutes for August 9, 2021

Meeting held online via Zoom

Present: T. Tarr, R. Hyvonen, A. Diehl, A. Miles, K. Van Winkle, J. Rodio

Call to Order at 7:05 by Tarr.

Approval of minutes from 7/12/21 (Miles, Diehl)

Community Survey Update – Rodio stated that the online survey has been launched and is being publicized by the library with press releases, social media posts, flyers, etc. The survey will run for 3 weeks and then the results will be reported back to the committee. Hyvonen offered to promote survey to his neighbors at Loomis.

Schedule Community Forum – As part of the process it would be beneficial to hold a public forum for people to participate in. Rodio suggested having an outside, objective facilitator from the Massachusetts Library System lead such a meeting later in the month. The group agreed with this approach and Rodio will reach out to MLS about availability.

Unfinished business – none.

New business – none.

Meeting adjourned at 7:52 (Miles, Diehl)
