Personnel Report

June 16, 2014

To: Selectboard
From: Jennifer L. Wolowicz, Assistant Town Administrator

The recruitment of the Building Commissioner position has been completed. We received (9) nine resumes and the screening committee, which was comprised of myself, Julie Gentile, Payroll & Benefits Coordinator & Dan Murphy, Town Engineer conducted interviews of the (7) seven applicants that met the criteria outlined in the advertisement. Following those interviews we met again to discuss the interviews and agreed on (3) three finalists that were forwarded to the Town Administrator for a second interview.

We have been actively selling items on Municibid and recently sold a 2011 Ford Crown Victoria for \$4,905.00. Using Municibid provides us a higher return on the surplus cruisers due to the fact that we would only receive \$1,500.00 if we traded them in. On an interesting side note this vehicle is being shipped to Sweden. We have also completed the auction of an old COA van on Municibid for \$5,269.00. Using this platform we have taken in approximately \$13,000 during FY14 for surplus vehicles & property.

Respectfully,

Jennifer L. Wolowicz
Assistant Town Administrator, South Hadley
