Subject: Public Hearing Postponement Request

Dear Richard,

We are formally requesting that the public hearing for the Skinner Woods Flexible Development be postponed until the first meeting next month, Monday October 7th, 2019.

Despite requesting additional, essential survey information at the end of July, we only received requested data Saturday September 14th. Design updates are already underway, but it is not possible for us to make a submittal before the end of this week – at best. This allows no time for the board or Fuss & O’Neil to review the updates prior to the September 23rd meeting.

Please respond with confirmation regarding this request. Thank you.

Brightly,

Bucky Sparkle, PE
