Richard:

Please find attached a revised plan set for North Pole Estates. This latest set removes the term "temporary" in reference to the cul-de-sac, provides protective cover on the back line of proposed lots 2 & 3, and conforms to town standards 360-31 A(8), 360-31 D(1), and 360-38(A).

We will drop one hard copy, full size set at your office on Monday.

Thanks, and have a great weekend.
